

Daniels, Fine, Israel, Schonbuch & Lebovits, LLP

As one of California's leading trial firms, Daniels, Fine, Israel, Schonbuch & Lebovits, LLP, has garnered a reputation for its courtroom results and also its approach to the practice of law. "Our goal is to obtain the best results for our clients while at the same time maintaining our core values of honesty, civility, and integrity," notes Paul Fine, a founding partner with more than 40 years of legal experience. "We offer our clients dynamic, knowledgeable representation, and we're proud to be recognized for that."

Beyond its selection as a California Top-Ranked Law Firm, the firm is AV Preeminent® rated by Martindale-Hubbell® and was previously named to Corporate Counsel magazine's Go-To Law Firms for the Top 500 Companies list. Attorneys at the firm are also regularly elected to leadership positions in the legal community, including a past president and the current president of the Association of

Southern California Defense Counsel, a past president of California Defense Counsel, and past presidents of the American Board of Trial Advocates.

Given the experience and accomplishments of its members, the firm is able to provide national and international clients with the full range of legal services. Its areas of emphasis, though, are insurance coverage and bad faith defense, business litigation, catastrophic personal injury matters, real estate transactions and litigation, construction, and toxic torts. "Most of our clients are long-standing clients, some of whom we have represented for 25-plus years," says Mark Israel, a partner whose

practice focuses on insurance coverage issues. "They trust us to achieve their goals, and we are committed to exceeding their expectations, no matter what type of case or project we're handling."
